WELS UNITED would like to invite you to a free Koine Concert at Buttermilk Creek Park, Fond du Lac on Thursday, July 28 at 7:30 p.m. preceded by a free ice cream social at 6:30 p.m.

Koine, The Church Band: *Common Language, Common People, Extraordinary Message.* That is what Koine was in the 4th and 5th century—the Common language of the people. It's a Greek term and was the original language that the New Testament was written in. Today, Koine is again a voice for the Common people and again with an extraordinary message. **Koine, The Church Band** is a Christian Band from Milwaukee bringing a new vibrant sound and feel to traditional Lutheran and Christian songs by implementing the common everyday instrumentation of piano, guitar, bass, and drums.

The Concert: All ages will enjoy the concert at Fond du Lac's beautiful Buttermilk Creek Park located at 715 S. Park Street at the corner of Park and Guindon Boulevard. Bring lawn chairs or a blanket to watch the concert. *In Case of Rain: The concert will be held at Winnebago Lutheran Academy.*

Ice Cream Social: Come at 6:30 to enjoy some refreshing Culver's Custard and—if you want—bring a dessert to pass. This will give you time to kick back and relax.

WELS UNITED: *This event is brought to you by WELS United—a cooperative effort of area Wisconsin Evangelical Lutheran Synod churches.*
