

**"Each one should use whatever gift he has received to serve others, faithfully administering God's grace in its various forms." (1 Peter 4:10)**

Everyone can't be the Quarterback. But if you are the Quarterback then your team needs you! We need you here at St. Luke's. The Lord is good and gracious to his people. He gives us everything we need to accomplish great things for His Kingdom and for His Glory. But everything we need to do God's Work is spread out among all of us. We are, all together, a great team. We need you to get in the game and use your talents to God's Glory! Join us by filling out the following survey of your unique gifts the Lord has blessed you with personally. The leaders of the congregation will use your information to plan and organize great things for the Lord according to the talents he has blessed us with here at St. Luke's. These forms neither obligate you to serve in the future nor do they "sign you up" for God's work immediately. Please write in any gifts you might have for the family of believers. Thank you for your work on God's Kingdom and on our team here at St. Luke's!
