FIRE SAFETY PROGRAMS

Fire Safety Week was October 5-9. Members of the Oakfield & Lamaratine Fire Departments were at St. Luke's in connection with Fire Prevention Week on Wednesday, October 7. The classrooms were given presentations about smoke detectors, fire alarms, and escaping from a burning building. The students were able to view fire equipment, and enter a fire truck, a first responder vehicle, and a brush truck. We thank Jacob Fisher, Austin Moucha, Brian Baker, and Wendy Hounsell for their presentations.

BIG BUDDY/LITTLE BUDDY

The first Big Buddy/Little Buddy monthly activity of this school year was held on Wednesday, September 30. Students listened to and acted out various parts of the story "The Little Old Lady Who Was Not Afraid of Anything". Also, the students colored and made scarecrows.

Likewise, our St. Luke's students had their October monthly activity on Wednesday, October 28. The project for this month was a field trip to "Little Farmer" in Malone, WI. We enjoyed a hay ride, a tour of the apple orchard, pumpkins, and caramel apples. We thank the PACK for donating the funds to pay for our bus transportation.

WELS KIDS CONNECTION VIDEO

October 2009: This Reformation month we celebrate our past and look to our future. What do you think life was like in 1850? Students at Zion Lutheran School in Monroe, Michigan, experienced a day of school from the 1850s (dunce caps, slate boards, and all) as they celebrated their school's 150th anniversary.

Next, meet Jeremy Bakken, a WELS musician who loves to compose. He can take many instruments, write different parts for them, and, when you put them all together, they make beautiful music! With Mr. Bakken we celebrate our musical heritage and look forward to "psalms, hymns, and spiritual songs" of the future.

Our last story takes us to California where four WELS grade schools joined for a day of music from the WELS Christian Worship: Supplement.

Finally, Pastor Tony Schultz tells us about the one who almost got away.

WLA CROSS COUNTRY RUNS

The Lutheran Elementary School cross-country runs hosted by WLA were Wednesday, October 1. The events took place on the WLA campus and McDermott Park. St. Luke's students participating in the runs were Mark Flood, Anastasia Goelzer, Logan Kobilic, Mason Kobilic, Becky Loduha, and Lindsey O'Brien. Congratulations to Mason on his 4th place finish in his age group. Great job everyone!
