CHRISTIAN EDUCATION WEEK

During the week of March 1, St. Luke's Lutheran Church and School celebrated the blessings of Christian Education. The week's *fantastic* activities included WLA freshmen registration, WLA recruitment team visit to St. Luke's, Kindergarten registration/open house, family day, a devotion at St. John's, Lomira, WLA Academy Kids performance, Professor by Numbers presentation, and hot lunch at St. John's, Lomira. "Family Day" was a great success! It was fantastic to have a large group here for classes, devotion, and lunch! There were approximately 90 people that attended the lunch for family day. All glory, praise, and honor to our Savior Jesus Christ!

MISSION OFFERING PROJECTS

Our third quarter mission offering total was \$233.33. The project was Calvary Lutheran Academy in Florida. Our 4th quarter mission offering project is Jonah Hinds, who is currently a 5th grade student at St. Peter's Lutheran School in Fond du Lac. He is suffering from a debilitating form of Tourette Syndrome.

The weekly amount collected is displayed on the bulletin board outside of the church/school office.

SPRING MUSICALE

The date of our spring musicale was Friday, March 19. The students in grades K-8 performed "The Principal and the Pea". Also, grades K-3 performed "Super Kids", and grades 4-8 performed "Back to the Past". We thank everyone for their help with costumes, make-up, snacks, and refreshments. It was a great evening of entertainment and fellowship. Way to go!

WELS KIDS CONNECTION

March Episode: Do you remember when you had to stand next to the phone to use it? When there was a cord attached to it? We can now walk down the street using our cell phones. This month we use the Internet to make video calls. First, we talk with Missionary Robert Wendland, his wife, and four children, from Malawi! Next we learn about WELS disaster relief efforts and how disasters can open doors to sharing the message of salvation with those who are in need. Another video call, this time with Andrew Gerlach, a student from Martin Luther College. He's spending the year in Mexico spreading the good news of Jesus. Finally, Pastor Tony Schultz is giving blood.
